The industry's
lightest
and most
compact
11 foot SRL

Patents Applied For

The Rebel SRL is the first economy 11 ft. SRL on the market without compromising performance or safety!

- 11 feet of retractable line delivers the greatest working range for economy class SRL's.
- Lightweight and compact aluminum housing construction weighing only 2.8 lbs.
- Best lifeline length-to-weight ratio in the industry.
- Unique super-strength thin webbing for total security and added length in a compact SRL.
- 2-year warranty on parts and workmanship plus, no re-certification required.

Rebel™ Self Retracting Lifeline (SRL)

11 foot Lifeline More freedom of movement, the Rebel represents a major improvement in economy line SRL's. It is the first affordable 11 ft. SRL on the market. For the first time employers can economically replace simple lanyards with the versatility and added safety of a SRL. The 11 ft. length enhances worker productivity, nearly doubling the working area of a lanyard without disconnecting.

Compact and Durable The Rebel delivers the best lifeline length-to-weight ratio in the industry. The rugged aluminum housing and stainless steel working components can withstand rough use, yet weighs only 2.8 lbs. Our unique thin webbing enables a compact size that is easy to use. The compact design (4 inches diameter by 2 inches deep) incorporates a smooth case with rounded corners for added comfort and ease-of-use. It increases worker productivity and reduces worker fatigue.

Arresting Capabilities The Rebel incorporates a unique speed sensing brake that keeps forces to a minimum, and reduces clearance requirements. With a maximum arresting force of 900 lbs., it supports a capacity of 310 lbs.

Standards, Warranty and Recertification Reliability that saves you worry, time and money. Complies with OSHA and ANSI requirements, CSA and CE compliant models available. The reputation of Protecta stands behind every one of our products supported by a two year warranty on parts and workmanship. In addition, no recertification is required on these SRL's, reducing downtime and the overall cost of ownership.

Model AD111A

Includes Carabiner

Model AD111AR

Includes Carabiner

Rebel Models:

- AD111A: 11 ft., AJ565A hook on lifeline, AJ514A carabiner on housing
- AD111AR: 11 ft., AJ565A hook on lifeline, AJ514A carabiner & swivel on housing
- AD111B: 11 ft., AJ521A hook on lifeline, AJ514A carabiner on housing
- AD111BR: 11ft., AJ521A hook on lifeline, AJ514A carabiner & swivel on housing
- AD111D: 11 ft., AJ514A carabiner on lifeline, AJ514A carabiner on housing
- AD111DR: 11 ft., AJ514A carabiner on lifeline, AJ514A carabiner & swivel on housing
- AD111E: 11 ft., AJ595A hook on lifeline, AJ514A carabiner on housing
- AD111ER: 11ft., AJ595A hook on lifeline, AJ514A carabiner & swivel on housing

Specifications:

Webbing: 11 feet of 1" wide polyester webbing (shock absorber is nylon)

Housing: Anodized aluminum

Stainless Steel: Drum spring, pawls, pawl springs, shaft, ratchet plate, end plates and external fasteners.

Snap Hook: AJ565A, chrome plated alloy steel, 5000 lb. min. tensile strength.

Capacity: 310 lbs.

Weight: 2.8 lbs. with AJ565A hook.

Size: 4" diameter x 2" thick

Max. Arresting Force: 900 lbs.

Meets or exceeds
all applicable industry standards
including OSHA and ANSI,
even the stringent ANSI Z359-1
